SOFT SKILLS

I did two internships, which gave me an opportunity to improve my performance as well as build good online relationships. I participated in two pen India competitions organized by iNurture education solution which gave me an opportunity to improve my communication skills as well as leadership skills.I am happy to be a part of both the competitions as both teach good coordination among individual as well as teamwork.

LEADERSHIP SKILLS

I am the member of the coding club at Medi-Caps University. Whose name is CodeINurture. While in this position, I got good leadership qualities like how to struggle in difficult situation and complete work well by focusing on goals without getting distracted. I also learned teamwork from here.
